Peterson's Master List of Peonies
Season 1923

Free Blooming Strain Developed
The first idea underlying our blooms (for moving plants has made
us try for perfection on the market and our roots and our seedlings
is not to please the grower, but to sell. This is the expression of
the idea behind our work. Also for propagating purposes we
have selected the foremost growers of the peony market to

Single, Semi, Double
and Japanese Peonies

Descriptions
The descriptions are based on the size, shape, color, and texture of the petals. Some
